

Positivity: Embracing the Hidden Strength of Positive Emotions

Complete this home study at your own pace, in privacy, and in any location that's convenient to you and earn CEUs.

How do we nurture well-being in ourselves, and those we serve? This home study is based on the book, **Positivity**, and introduces the science of well-being and applications that lead to greater satisfaction and meaning in life. This 8 CEU course is for people who aspire to understand, cultivate, and experience positivity.

In this 8 credit **Category A**, ACSW approved workshop applicable to all social work categories, you will:

- Explain why positivity is more important than happiness.
- Describe the broaden and build theory of positive emotions.
- Explain the positivity ratio and its relation to well-being.
- Identify research-based activities to decrease negativity and increase positivity with oneself and others.

How it Works: Watch a video, read the book, write a brief reflective essay(s), pass the post test and earn 8 credits.

Registration: Complete the form below and fax (780-459-8867) or email to info@kaizensolutions.org.

Registration fee includes course materials (except the book), post test, and continuing education certificate. \$99 for 8 CEUs. Certificates will be emailed within 30 days after successful completion of the post test.

Special Needs: Contact us if you require special assistance.

Cancellation: Refunds (minus a \$50 processing fee) are available. Please note: refunds are not available once the material has been mailed.

Val Kinjerski, MSW, PhD, RSW

Through Kaizen Solutions, Dr. Kinjerski offers online eCourses and home studies that are research-based and focus on enhancing one's well-being: ours, those we serve, and the organization. They are influenced by positive psychology and Val Kinjerski's research about spirit at work, that sense that we are fully engaged, inspired and energized by our work. Prior to dedicating herself to the creation of spirit at work, Val held social work positions ranging from front-line to senior management. She is the author of *Rethinking your Work: Getting to the Heart of What Matters*, a contributing author to two books and her research is widely published.
